

Wells & Area Planning Map

This stylised map has been compiled by Black Dog of Wells and is correct as of March 2010.
 A few strategic minor roads and villages have been added to help you get your bearings, but we leave you to venture onto the Levels and Hills to explore these for yourself. You are welcome to print this map and make use of it.
 (NT) / (EH) are National Trust / English Heritage sites - organisations set up to protect our heritage.
